The hall options and prices quoted are for students starting in September 2025.

*As part of our commitment to providing the best quality accommodation for our students, some internal building work may be undertaken in the vacant block of New Clive Booth during the 2025/26 academic year. Please be assured that any work will be programmed to cause as little disruption as possible.

All of our halls and campuses are connected by local bus services.

BUS ROUTES

— 400 — 100

These are two of the routes students are likely to use, however there are plenty more bus routes available in Oxford.

CONTRACT LENGTHS

All hall contract lengths cover standard teaching dates. There are some courses that have longer teaching periods, or require specific accommodation: PGCE and BA Primary, Art Foundation, Nursing and Midwifery and Paramedic Science.

Check our website details or ask a member of the accommodation team for more information.

KEY FACTS

Self-catered flats

Cook with your flatmates in the communal kitchens

Flexible payments

You can pay in instalments at no extra cost

Less hassle

Your halls package includes utility bills and basic contents insurance

Guaranteed halls accommodation

You are guaranteed a room whether Brookes is your firm choice or insurance choice

Support in Halls

The Residence Life Team in university-managed halls are here to support you in our halls of residence

 We offer accommodation for students with medical conditions and disabilities. If you have specific accommodation needs or require an adapted room then please contact the Accommodation Bureau when you apply so we can find you a suitable room.
